#### RE: LIST OF CONSECUTIVE O.R. NUMBERS

All Minister's Orders ( or Regulations) from 1946 to 1979 are consecutively listed on Pages 132 to 148.

The original Minister's Order or Regulation is shown in the "AREA AFFECTED" column with NO addition (i.e. no number in brackets behind the original). Modifications to the original Minister's Order or Regulation are shown in the "AREA AFFECTED" column with the original number, to which they refer, shown in brackets.

Dash (-) in front of a municipal name indicates a former municipality.

#### RE: ALPHABETICAL LIST OF AREAS AFFECTED

Pages 64 - 131 show, in alphabetical order, all of the areas covered by Minister's Orders or Regulations including description of all modifications.

Certain Minister's Orders or Regulations refer to a number of municipalities (e.g. 568/72 - District of Sudbury). Modifications to such an order can refer to one or all of the municipalities affected by the original order. When a modification does affect all municipalities, it is typed out in full under the District name and the other municipalities affected are referred to it. (See Allen Geog. Township) There are two Exceptions: 597/72 Adams Geog. Township and 453/75 Albemarle Township. In these two cases modifications are referred to the Municipality.

Dash (-) in front of municipal name indicates a former municipality.

All Minister's Orders ( or Regulations) from 1946 to 1980 are consecutively listed on Pages 167 to 185.

The original Minister's Order or Regulation is shown in the "AREA AFFECTED" column with NO addition (i.e. no number in brackets behind the original). Modifications to such an order can refer to one or all of the municipalities affected by the original order. When a modification does affect all municipalities, it is typed out in full under the District name and the other municipalities affected are referred to it. (See Allen Geog. Township) There are two Exceptions: 597/72 Adams Geog. Township and 453/75 Albemarle Township. In these two cases modifications are referred to the Municipality.

Dash (-) in front of municipal name indicates a former municipality.
